

FLEX REFLECTIVE

With metalized glass micro-beads, Flex Reflective has an extremely high refraction power making it ideal for high visibility workwear, gym or cycle wear.

The latest generation of Flex Reflective is the easiest reflective we have ever used. No longer do you need to dread having to weed a reflective vinyl.

RECOMMENDED FABRICS:

- Cotton
- Polyester
- Cotton/Polyester Blends
- Lycra (not a stretch vinyl)

Please note: Always check fabric makeup and test press when possible.
